

How to Play: “Catch that Phrase”

While networking with your colleagues:

- Attempt to use your assigned phrase during your conversations
- Show Positive affirmations to your colleague when “phrase” is used by
Silent claps, snaps, high fives, happy dance etc.

There may be times when a fellow colleague(s) may need a bit of encouragement.

Take the time to check in with them and offer your **SEL Fuel** aka Clothes pin 😊

It’s great to acknowledge our efforts and successes. We encourage you to nominate a fellow peer or yourself for SELing* throughout the day. How you ask? Nomination slips are available at the registration table next to the “Caught SELing” fuel tank. Drop your completed nomination slip in the fuel tank at the table in the back of the room before the closing session to qualify your nominee for the raffle.

***Definition of SELing:** modeling or promoting Social Emotional Learning*
